Reservations

Non-Academic Events/General Events

For non-academic and general events, please use the 25Live [1] online submission system.

*Please note that numbered academic courses are scheduled ahead of non-academic and general events. Submissions made are not processed until the academic course scheduling has been completed. If room requested is not available, pending availability, an alternate room will be assigned.*

For Non-Profit Organizational requests, please review the reservation policy [2].

All requests are processed on a first-come first-served basis. Please wait for an email confirmation to finalize your request.

**Modification or Cancellation of Classroom Reservation**

To modify or cancel your classroom reservation, please reply to the confirmation e-mail you will receive when the event is confirmed. If your reservation involves multiple dates, please be clear regarding which dates are to be affected.

**Academic Events (Quarterly Courses, Mid-Term Exams, Final Exams, and New Student Orientation)**

To reserve a room, please complete the following steps:

**Step 1.**

Submit your Room Reservation Request Form [3] to Classroom Scheduling by the established quarterly deadlines [4]. *Please note: Quarterly Courses are courses that are listed on the UCSF Course Catalog.*

Courses are scheduled on quarterly basis per University Administrative and Academic Calendar [5].

All scheduling is processed and confirmed on an academic quarterly basis. A separate request will need to be submitted for courses that hold sessions in two different quarters (i.e. courses that overlap two quarters). We confirm any event, including academic courses,
beyond the deadline dates that apply to each future quarter. Courses that overlap with the following quarter may end up with different room assignments for each quarter.

Step 2.

Classroom Scheduling will return a **draft copy** of your assignments to you prior to finalization of the assignments. Please **do not** distribute the draft assignments to the instructors until the assignments are final. The Scheduler will contact you to notify you of finalization of the process.

**Grand Rounds**

To reserve a room, please submit a Room Reservation Request Form [3] to Classroom Scheduling located in the Medical Sciences Building, room S 43. You may submit the form by fax at (415) 502-3735 or by campus mail at Box 0702.

**Please note:**
Grand Rounds are scheduled on quarterly basis per University Administrative and Academic Calendar [5]. Scheduling of Grand Round will follow the completion of UCSF Quarterly Courses. Classroom Scheduling will try to keep Grand Rounds in the same room location for each quarter, however, depending on the pattern of courses offered, a change of room assignment(s) may be unavoidable.

TLC Scheduling Policy

Scheduling policy for TLC classroom space is constantly evolving, but the following uses will receive priority scheduling for the TLC classroom space if the scheduling requests are submitted by *Priority Scheduling* deadlines: **team-based, active learning related to telemedicine training, clinical skills, simulation, and PRIME-US teaching; courses or activities that foster inter professional education and innovation; and those using the unique multimedia capabilities of these spaces.**

For requests to schedule TLC classroom space for academic events during the *Priority Scheduling* period, please include a **short paragraph** describing how you intend to use the space and why you are requesting the space. This information will help to develop a permanent scheduling policy.

No-Show Charges

Effective July 1, 2014, Educational Technology Services will phase in a fee assessment for requesters who ? without canceling their reservation in advance (minimum 48-hours notice) ? reserve classroom space, request technician assistance for an event, or schedule lecture captures and then do not use the room during the scheduled time. A schedule of fees is listed below.
