

Connect to Zoom Using a Video Conferencing Room System

Not using Zoom? Go to the “Share Content” section

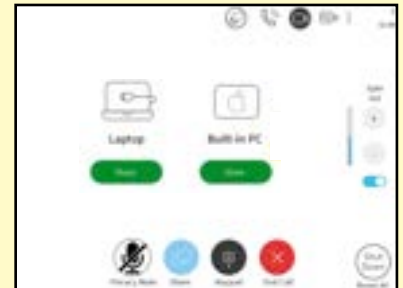

Connect to Zoom First:

1. Press **Join Zoom** button. The unit will then call into Zoom.
2. Use the **Keypad** to **enter in your meeting ID followed by #**.
Then **enter in your passcode followed by #** using the same keypad.

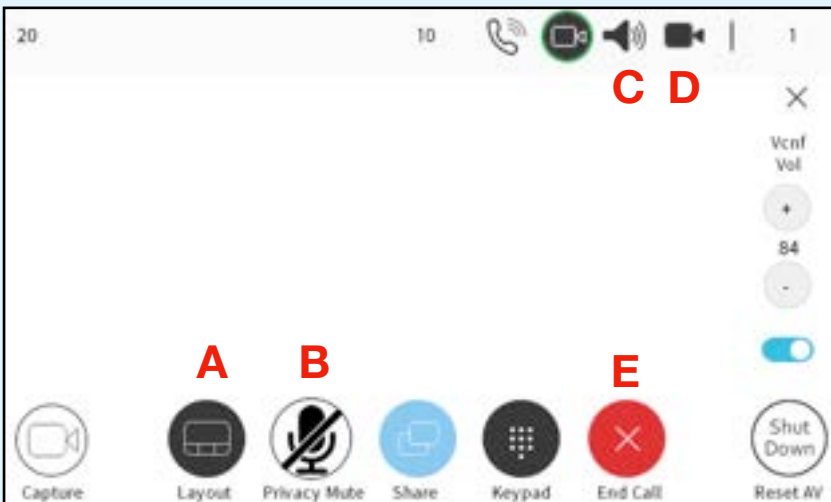

Share Content:

1. Connect your laptop into the room system or wake up the built-in computer by clicking the mouse or pressing the keyboard.
2. Press the **Share** button and the computer source you wish to share:
Laptop or **Built-in Computer**
3. If connected to Zoom, verify with end users they can see content.

Customize Room Connection:

Your View: **A**
To toggle Video of Zoom users on or off by press the **Layout** button on the touch panel.
To view video only press **STOP** on the sharing content menu.

Mute Yourself: **B**
Press the Privacy Mute Button.

Audio Volume: **C**
Press the Speaker Icon to adjust Microphone, Computer, and Zoom volume.

Camera Angle: **D**
To adjust camera angle press the camera icon and choose a preset or manually move the camera.

End Call: **E**
Press Shut Down to end all calls and shut down the room.
